Okemos Sprint King Has Rivals in the 'Circuit'

By BOB HOERNER

Some of the top action in the second annual Ingham County league-Capital Circuit inter-league track meet Monday evening will be in the two dash events.

Although Dick Ewing of Okemos is the defending champion in the two sprints, the Ingham county league speedster is sure to have plenty of competition from Everett's Jimmy Diederichs and Ray Vandersteen of Grand Ledge.

In the inter-league meet, which is sponsored by The State Journal and will be run at Michigan State college starting at 5:30 p. m., the first three-place winners in the two league meets are formed into league squads. Last year the circuit won the first annual meet.

Entering the state Class C meet today as the favorite to win two individual titles, Ewing has not been beaten this year and holds two victories over Diederichs. The Everett sprinter nosed out Vandersteen in both dashes in the Circuit meet Wednesday. All three have been consistently under 10.5 seconds in the century.

The Circuit is expected to get an early lead against the eight-team Ingham County league by dominating two of the field events. With three Howell shotputters all over the 40-foot mark, the Circuit could slam the event. Bill Haskins of Haslett won the County title with a heave of 38 feet 3 inches.

With Howell's Carmen Kypke and Everett's George Price and Dick Content in the pole vault, the Circuit could also place one-two-three in this event. The County's top hope to break into the scoring will be Wayne Sober of Williamston who won the County title at 9 feet 9 inches. The Circuit trio all can go over 11 feet.

Haslett's Herbie Hagenbuch of the County squad will be favored to keep his broad jump title he won in the meet last year. Hagenbuch has hit right around the 20-foot mark this year. The County will miss Dee McDonald of Okemos, who will not compete because of a senior trip, in the broad jump. McDonald was second in the meet last year.

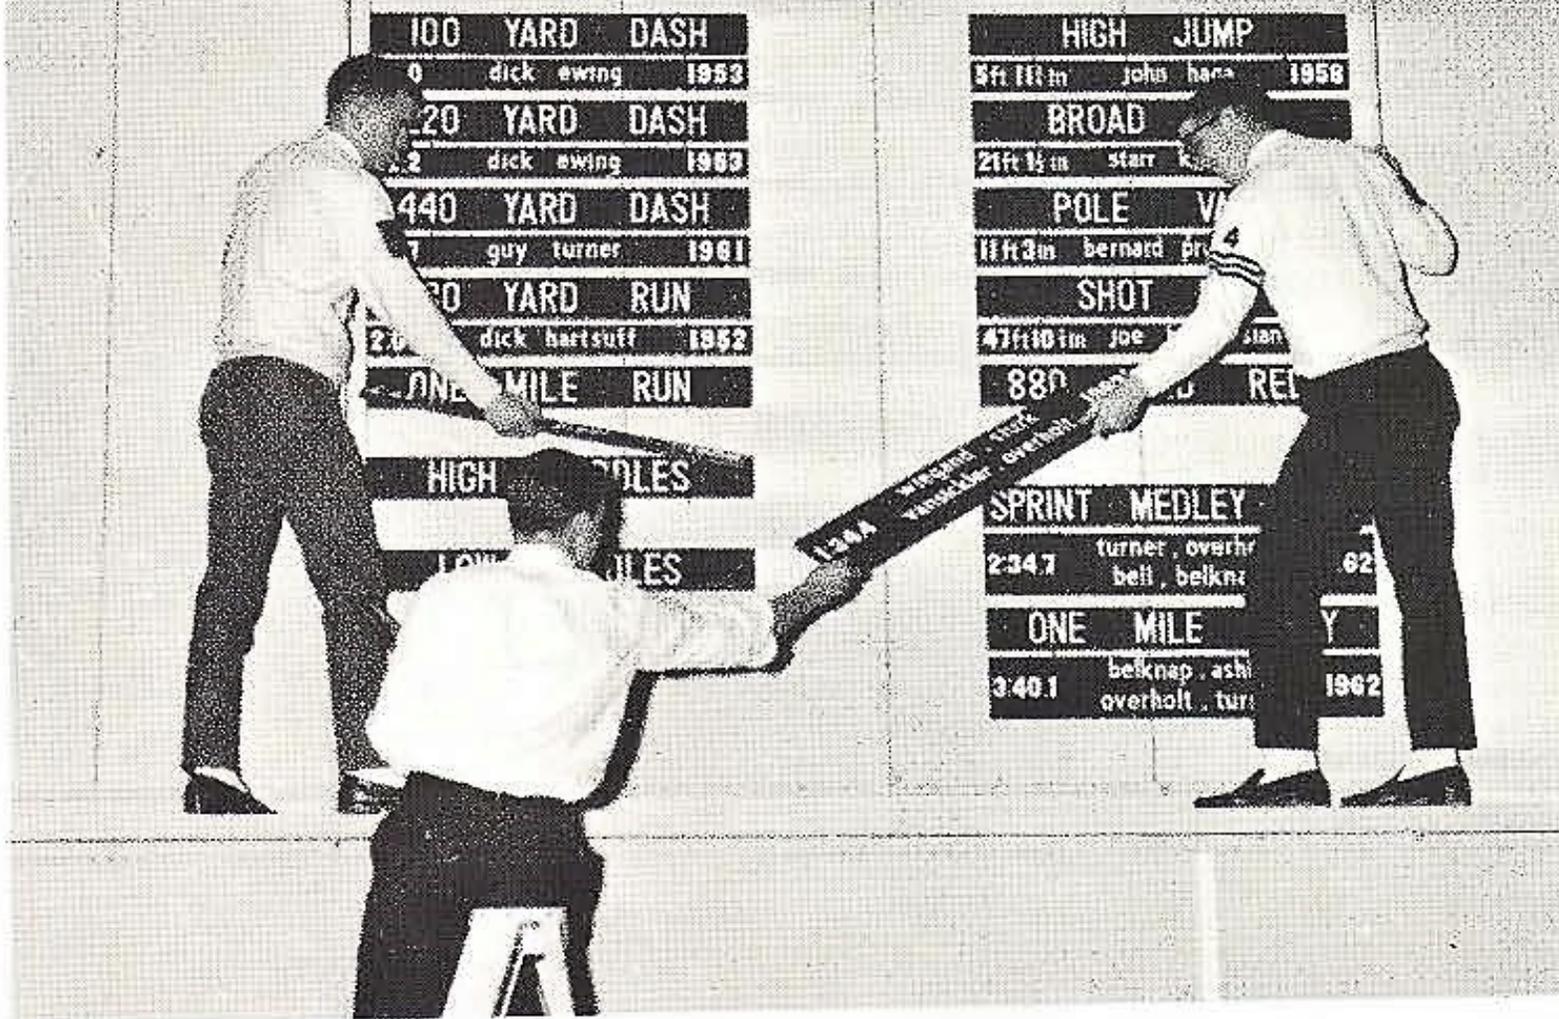

The high jump will be a toss up with Boyd Shertzer of Howell and Art Smith of Everett contending with the Ingham County league pair of Dick Fluke of Holt and Hagenbuch. Smith and Shertzer tied for first in the Circuit meet 5 feet 3 inches, and Hagenbuch topped Fluke by an inch when he won the County title 5 feet 5 inches.

OKEMOS HIGH TRACK RECORDS

Jon Overholt, Gary Sturk and John Ruswinckel finish putting up the track record scoreboard.

I was there in 1964 when the track records went up...

This was the “new” school built in 1960. It was very nice to have a full-sized gym in the new high school, but it lacked history and tradition. With the vision of Jon Overholt '64 and Gary Sturk '64, they proposed a project to The Student Council to fund a display of the Track Records. By no coincidence, the same guys were racking up records themselves and who wouldn't like to see your accomplishments displayed! This was a new display of the hand written records that Coach Baker kept in his desk and Jon, Gary and John were wall mounting the records as they existed in 1964. The record they are hoisting in the picture is for the “880 YARD

RELAY” they set the year before in the Spring of 1963. The record race time of 1:34.4 was quite a story and recounted in the memoir of the German Exchange student, Hans Wiegand '63...but, we didn't know anything about the “old” record they had beaten. When the placard's were in place, we saw names familiar to us students like “Parisian 1963 HIGH HURDLES”, “Belnap Ashley Overholt Turner 1962 ONE MILE RELAY”, “Guy Turner 1961 440 YARD DASH”. Other than that, we never knew the “old” guys...except “Starr Keesler 1937 BROAD JUMP”... who in 1964 was the Chairman of the Okemos Board of Education! Wow, was that an old record!

For 2 years, I stared at that board and finally noticed that the name “Ewing” appeared. Little did we know, if the “old” records had been on display since 1960, we would have seen the name “Ewing” two more times under the 880 RELAY and SPRINT MEDLEY RELAY. The 1963 German student, Hans Wiegand, had been the only threat to breaking the 100 and 220-yard dash, but no one else threatened the 100 and 220 for many years to come!

Never accused of rushing in to anything, 50 years later, I looked at that picture again, and stared...who was this guy Ewing? I emailed the Okemos Alumni Association's Historian and Genealogist, Sherrie Paty '66, to ask her if she could find anything about Richard Ewing '53...10 minutes later, she emailed me back, “He's alive and well, living in Harrison, Michigan, here's his phone number”! Sherrie is amazing. (Sherrie has taken on the task of finding or writing the life story or tribute of everyone from Okemos High School...ever!) So, 11 minutes after I asked the question, I was talking to Joann Ewing...”Hello, Mrs. Ewing...did your husband go to Okemos High School?” “Why yes...would you like to talk to him...he's outside, I'll call him.” Now I'm excited, but what do I ask? I don't know anything about him, except that he could sprint in 1953!

“Hi Dick, I'm Rod Ellis from Okemos 1965...so you went to Okemos in 1953 and ran track?”

“Why yes...I haven't had anyone ask me that in 60 years!”

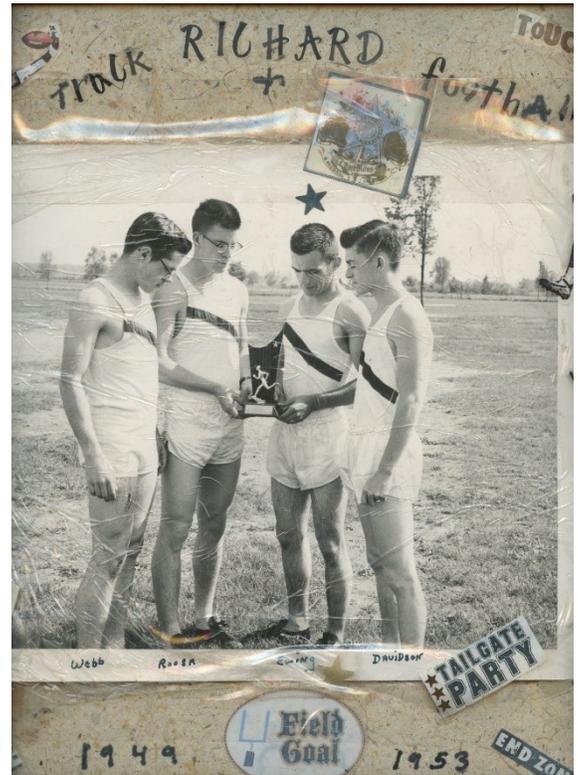

“I see from some old yearbooks that you were quite a sprinter...you didn't happen to keep and still have a scrapbook?”

“Why yes...I'll look around and send it to you.”

A week later, looking through his scrapbook, the story was all there...and what a story...one of the greatest athletes from Okemos, and I had only seen him as a name on the wall!

It's a nice, thick scrapbook with many newspaper articles. He and his relay teammates got lots of press and the press photographer gave him many of the glossy's that appeared in the newspaper. His scrapbook cover is a press glossy of his winning and record setting 880-yard relay team after they won the State Meet in May, 1953.

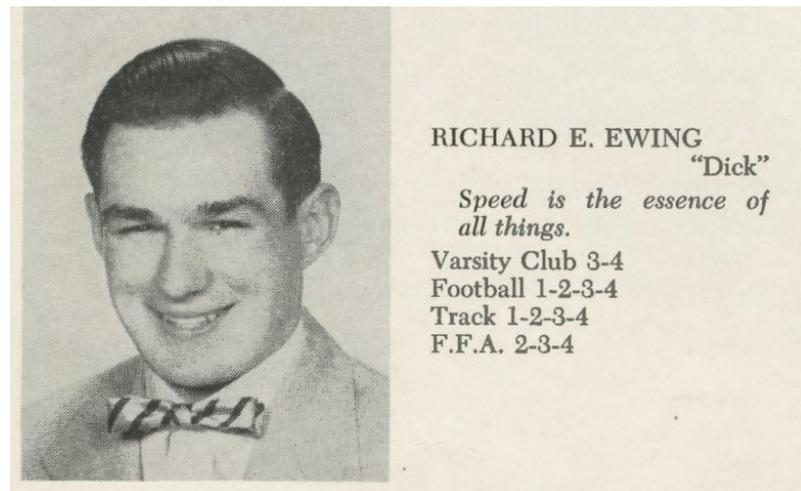

With Ewing anchoring, they clocked a record time of 1:36.7. They would have been "on the wall" if Okemos had a display before Jon Overholt and Gary Sturk hung their own, new 1963 school record for the 880 relay.

High School began the fall of 1949 for Richard Ralph "Dick" Ewing. Raised by his grandparents on Grand River Rd., family guidance got thinner quickly when his grandfather died his freshman year. His grandmother was a great source of encouragement, but training and development was completely on his own. Dick thought football was his calling, encouraged by some fast footwork in a 3rd place finish in the 1948 (7th Grade) Okemos Inter-Class Track Meet on a Mile Medley Relay Team and a 3rd place in the 1949 (8th grade) Inter-Class in the 100 Yard Dash. He thought George Richards was a good football coach and a great motivator. "The uniforms were worn out and the pads thin, but we always played all out." Some inner drive pushed him and he earned a varsity football letter his Freshman year, Fall 1949.

Dick trained by himself, seven days a week,..”ran down the Grand Trunk Rail Road, next to the rail, stones and all. I was self-taught...coaches didn’t know anything about track.” Dick was pretty much on his own. At a young age, his parents in Haslett couldn’t raise all 9 children, so his grandparents took over the responsibility for Dick. When not in school or training, Dick was working. First a paper route, then in the late 1940’s he carried beer cases for Paul Revere’s Bar on Grand River. His grandparents lived a block behind Paul Revere’s. Revere’s was owned by Paul Luck (historical note: between the 1970’s and 2015, Paul Revere’s was owned by Okemos grad, Jim Driscoll ’63). Dick also worked as a busboy at Warren Populars Fine Dining, located across from Paul Revere’s.

His Senior Class yearbook picture summarizes his High School career and adds the quote “Speed is the essence of all things.” Although a Senior quotation, he showed promise early.

Looking through his scrapbook, a great story unfolded...

The press noticed him right away...Lansing State Journal, early 1950..."Rich Ewing has had some good times this spring in the dashes.-B.H." (Bob Hoerner)

Leslie's County League Throne Seen Tottering

1950

Leslie high's two-year Ingham County league track reign may end Wednesday morning when Coach Walt Gephart's Blackhawks defend their title in the annual league meet

at Michigan State college starting at 9:30 a. m.

Holt, aided by Williamston and Fowlerville, teams that are sure to cut into Leslie's point-total, rates as the pre-meet favorite. Coach Harold Wells' Holt squad is strong in the dashes and relays, and appears to have the overall power to knock the Blackhawks off their perch.

Okemos, which was edged out by Leslie last spring, has had its ranks thinned by graduation, but has a handful of individual performers that are counted on for points.

Haslett, Dansville, and Stockbridge, schools that are just starting expanded track activities, will all enter small squads.

Believing that 50 points will win the championship, rival coaches are spotting Holt 18 points in the dashes, first in the shotput, quarter-mile, both relays, and enough lower place positions to easily annex the crown. Ben Hope, who as a sophomore last year set a new league record in the 440, has been switched to the dashes and has turned in the best times in the league so far this season. Larry Guile, also of Holt, is expected to follow Hope to the tape for second place.

Holt's Mel Morrison is expected to replace Hope as the top quarter-miler, and will team with the two dashmen and relay team.

Okemos Marks Up Year's First Win

(Special to The State Journal)
 HASLET, Oct. 20 — Okemos high's football team scored its first victory of the season in five games here Thursday night by downing Stockbridge, 18 to 13, in an Ingham County league tilt. Bill Black passed for touchdowns, and McDonald scored a third as Okemos took an 18 to 0 lead at the end of the third period. Stockbridge, also seeking its first decision of the year, scored twice in the final period. Dick Worden and Bob Lambert tallied the touchdowns.

The Quakers' medley relay team of Roger Wills, John Lewis, Chuck Lundberg and Ben Summers edged Howell for Eastern's other first place.

Three freshmen—Richard Ewing, Gerry Rossa and Duane Randall—carried most of the scoring load in Okemos' victory over the Shamrocks. Ewing paced both of the dash events for 10 points, Rossa won the quarter-mile, and Randall added a first in the half mile.

Okemos walked off with nine first places to the 'Rocks four. Bob

IC-CC Athletes Come Up With Best Performances

Circuit Teams Win Easily, 33-34, but Ingham Stars Shine Brightly

By BOB HOERNER

The Capital Circuit track squad carved the first notch in The State Journal I.C. - C. C. trophy Monday evening at Michigan State college, but the Ingham County league entries were right in stride with the Circuit in providing top individual performances.

Paced by its league champion, Howell, the Circuit picked away 33 points to the County's 34 to win the first annual inter-league meet between the two Lansing area competitors.

Loren Wells, the Circuit's honorary coach, accepted the meet trophy for the winners from George S. Alderton, sports editor of The State Journal.

Although the Circuit's strength was in evidence from the first event, outstanding efforts by entries from both leagues marked the entire meet. Both squads got ahead double - winners. Easton Rapids' lucky John Milbourne cleared the high jump bar at 4 feet 8 inches, his best effort of his high school career, to top one first-place, and

jump, but stopped after topping the six-foot mark to save himself for the two hurdle races.

Ewing Double Winner

The County league matched the Circuit's double-winner with Dick Ewing, Okemos' high sprinter, breaking the tape in both of the dashes. Ewing, who also won both sprints in the County meet last week, stepped off the 100-yard dash in :10.6 and the 220 in :23.1.

Everett's brilliant miler, Tommy Hoffmeyer, ran his fastest mile of the season to easily win the event.

1951 had been another Varsity Letter year with more records. Dick qualified all the way to the State Finals again, but a Championship Title still remained elusive. Still

etched in his memory, "It rained all day and you can still see the mud stains on my numbers", Dick told me 65 years later in 2017.

On their march to the 1951 State Finals, the paper read, "...records were smashed in the sprint Medley...", as Roosa, Ewing, McDonald and Hartsuff set new meet record at the Hastings Relays and also won the 880 Relay.

Okemos has a pair of individual winners from last year's squad returning to defend individual titles. Dick Ewing, a double winner in the sprints last year and one of the best dashmen in the Central Michigan area, should repeat with two firsts again. Ewing will also give the Chiefs a strong relay team.

The Chiefs' other individual title winner is Jerry Roosa in the quar-

crown.

Dick Ewing of Okemos, the only double winner last year, will defend both of his sprint titles, and by comparative times this season the Okemos speedster should repeat in both races. Ewing stepped off the 100-yard dash last year in 10.7 seconds and won the 220 in 23.8.

Another Okemos runner defending a title is Gerald Roosa. The Okemos quarter-miler won his specialty last year in 56.1 seconds.

Dick Ewing broke the Okemos high school 100 and 220-yard dash records and ran the last leg of a record breaking 880-yard relay race. He finished the century in 10.2 seconds, one second better than the mark he set last year, and registered a 22.5 second time in the 220-yard dash breaking another record he set last year by two seconds. The relay time of 1:38.2 topped a mark of 1:39.3 set last year, also.

Okemos qualified four men and both relay teams for the finals, and in Dick Ewing presented one of the stars of the meet. Ewing knocked a fifth of a second off the 100-yard dash record in his preliminary heat, and then lowered it again in the finals. His new record is 10.15 seconds. He also won the 220 yard dash.

Other Okemos qualifiers were Dick Hartsuff in the half mile, Dee McDonald in the low hurdles, and Jerry Roosa in the 440. McDonald and Roosa both took first places in their sections of the events. Both the quarter mile and half mile were run in two sections, with the first two places qualifying.

19-TRACK-53

In dual track meets we defeated Sexton High School 46-34, and Haslett 63-46, while losing to Everett 60-49. The bright spot of the Everett meet for Okemos was a 10:0 flat, 100 yd. dash by Dick Ewing for a new school record.

The Ingham County League meet saw Okemos coming out on top for the second straight year with 50 points.

At the Albion Invitational meet Okemos took first place with 38 points. Dick Ewing set a meet record with a 10.2 100 yd. dash. He also won the 220 yd. dash. Our 880 yd. relay team won as a new school record was established. Their time was 1:36.5 and the runners were Bob Davidson, Lyle Davis, Gerry Roosa and Dick Ewing. Other boys who placed in the meet were Bob Davidson, 3rd in the 100 and 220 yd. dashes; Mike Sweeney, 3rd in the mile; Gerry Roosa, 3rd in the 440 and in the sprint medley team of Merrill Edwards, Chuck Webb, Lyle Davis and Gerry Rozan.

In the Regional Meet at Mt. Pleasant, Okemos took 3rd with 23 points as Dick Ewing took 2nd place in both the 100 and 220 yd. dashes. Gerry Roosa 2nd in the 440 yd. dash and the 880 relay team of Bob Davidson, Lyle Davis, Gerry Roosa and Dick Ewing won.

At the State Finals, Okemos took 3rd with 17 points as Dick Ewing won the 100 yd. dash and finished 2nd in the 220 and our 880 relay team set a new school record of 1:36.7 as they won the state relay race. Returning letter winners for the 1954 season are Bob Davidson, Chuck Webb, Kyle Aldrich, Merrill Edwards, Bob Babcock and Mike Sweeney.

Ewing Sets Up Scores

Okemos' scoring has been spread around with Russ Burch, Jerry Rossa and Harold Grier each scoring two touchdowns this year. Dick Ewing, central Michigan sprint champion last spring, has set up many of the touchdowns with long runs. Stockbridge will have to stop this quartet of runners to take the Chiefs into camp Friday.

Okemos (3-0-4)—New Coach Ed Kiley has dozen lettermen, including four regulars. Three of the veterans are in backfield. Probably fastest backfield in league with Sprinter Dick Ewing leading the way.

Dick Ewing, lettered and starred from his Freshman 1949 to Senior 1952 Football Season. Okemos grad Jim Breckenfeld '60 recalled seeing Ewing play football and said "I don't remember if they had All-State recognition back then, but Dick Ewing sure deserved it." The 1952 team picture with #65 sitting with the game ball...why not...Ewing carried it

most of the time for four years!

"We went 'all out' and never saved ourselves for the next game. Got knocked out in the Haslett game and just laid

there for 20 minutes...got up and played the rest of the game." He added, "They'd never do that today!" Dick said he did get a better helmet and shoulder pads out of the ordeal. "In those days, Haslett was the big rival, 'the enemy'...they gang tackled, punched and stuffed sand in my mouth in the pile and even got my pants ripped off...team stood around me while I switched pants." Dick confessed, "A few years later, I went into enemy territory and married a Haslett girl."

Whoa, let me talk to Joann! So, how did you meet? "My sister fixed us up on a blind date in 1956. She said he was a nice person, a football player and a track star. He was very modest." Then she recalled they "met" years before that at a Haslett football game, "Dick got knocked out and just lay there...we didn't pay a lot of attention...he was on the 'other' team, and Haslett won!"

Dick was not only honored as an outstanding athlete by Okemos High School and the newspapers, but the colleges took notice also.

Dear Dick:

May I take this opportunity to congratulate you on your fine showing in the Albion Invitational Track Meet held last Saturday. I discussed with you briefly the possibility of your attending Albion in the fall. No doubt during your short visit here you were impressed with our fine facilities and would concur in our belief that Albion is one of the outstanding small colleges in this area. We are very much interested in attracting to our campus individuals such as yourself. I am hoping that while contemplating your choice of college for next fall, that you will give serious thought to Albion before reaching any final decision.

We would like very much to have you visit our campus again, and give us an opportunity to talk with you about Albion. While here we can make arrangements for a commending you, and we feel sure that you would find such a visit pleasant and enjoyable. Should you plan to take advantage of an opportunity to visit our campus, would you kindly indicate on the enclosed card what date you will arrive and I will make the necessary arrangements at this end. I trust that I might hear from you soon regarding this matter.

Dear Dick:

This is to congratulate you on your performance at the Chip Relays. You competed against the best boys in the state this year, and you showed potential as a good prospective college athlete.

Another reason for my contacting you at this time is to get you interested in coming to Western Michigan College to continue your education and your success in track. Before long you will receive a school catalogue and other information about our school and athletic program. We are building up our track program, and we have a good varsity and an exceptionally good freshman team this year.

Dear Dick:

Any boy who places in both the 100 and 220 in the State Meet in his class has at least some possibility as a big time collegiate varsity sprinter. You did just that. Consequently, I am writing to ask if you plan to go to college and, if so, are you interested in Michigan State. I should be more than glad to hear from you and will watch the mail with interest.

Dear Dick:

Your name has come to me as one with fine athletic ability, and from the remarks I have heard about you, I should like to see you continue your education here at Kalamazoo College. The College is located in the western section of Kalamazoo and is rated at the top of small colleges in the United States. I am sure you would enjoy the campus and college life here.

I am enclosing two forms and an application blank for you to complete. When they are finished, I should appreciate your sending them immediately to Mr. John Anderson, Admissions Office, Kalamazoo College, Kalamazoo, Michigan.

I plan to be in Lansing either Wednesday or Thursday of this week, and hope that it will be possible for me to see you on one of those days. I should like to have you visit our campus, soon, and should appreciate your letting me know if you are interested in attending Kalamazoo College.

On September 20 2017, I visited Dick and Joann. Nestled in their cabin in the central Michigan woodlands, their abode full of collections from 3 children's world tours with the military. Dick, now in his 80's is fit, trim and looks like he could still rip off 100 yards way ahead of the pack. He was eternally grateful that we remembered him...I assured him how thankful we were to find and meet "The Okemos Sprint King".

(By the way, Dick went to Central Michigan)
