Chuck, Charlie, Charles...whatever you want to call

him, call him one of the greatest twomilers to scorch the oval track for Okemos.

CROSS Country Coach at Okemos John Bjorkquist Remembers 1961-1972

I'm on my way to California in a few hours. My son, Dave, lives there and is building a house, and asked if I could come out for a month and help him. That's what happens when people hear the word "retire"!

It was a very hard decision to make when I retired from teaching last year. After 31 years on the same job, it was real hard to just walk away. Thank goodness I still maintain some contact with the kids through teaching some Driver's Ed. in the summer. I also see former students and staff members at ball games.

I have, for 35 years, supplemented my income with house painting. So I decided to see what would happen if I did the same thing, only full time. So, "JB Painting" was born.

Some of the school kids that come to mind include the following:

Some of the school kids that come to mind include the following:

Charlie Campbell, Jim Weaver and Tom Yunck-3 of the greatest distance runners that I ever coached during my 11 years as OHS cross country coach. (I think Yunck's mile run record still stands.) Tom Bartow was captain one year and I see

...crossing the finish line 1st in the League, October 1968.

Spring training 1968 "In my

track and cross country career, I was greatly influenced by the start of an Okemos Cross Country race in the fall of 1962 when I was in 6th grade. My parents took me up to school to see the start of a race on the side of the school. I was so impressed by what I saw I told my father to drop me off a mile from home so I could run home. When I got to high school 3 years later in 1965, I played football and basketball for two years before I started to run. The fact that I was in really good shape from playing those sports helped my running. As a junior in high school I knew I wasn't getting that big, but knew I could run. So, I started my track career in the spring of 1967 and that was the first year of the two-mile event. Tom Yunck was our miler so I decided that the two-mile was going to be my event. I think I was the only one that wanted to run it!"

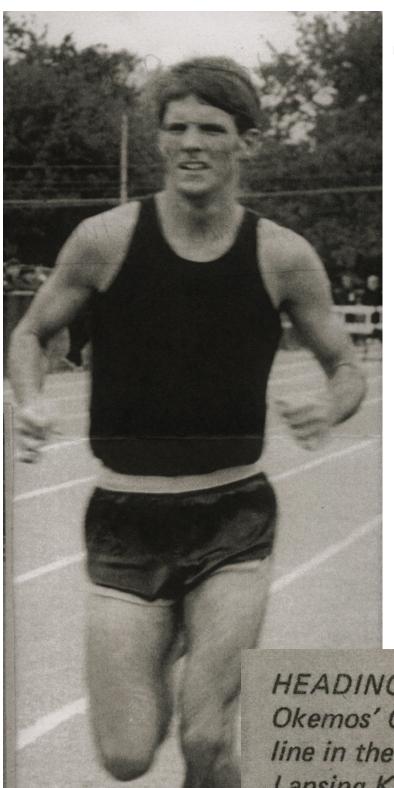

Tom Yunck, sophomore, sets course record of 10:34 at annual Turkey Trot November 9.

Sophomore Tom Yunck, November 1965

"I was really influenced by Tom Yunck. The year after Tom's graduation and my senior year of 1968, I would talk about him with the other cross-country runners. We always looked up to him as someone to strive to be. I never ran against Tom, but he was always on my mind. I was the two-miler and Tom would always be our miler."

"10.24 was my best time in 1967, then in 1968 I got it down to 10.04 and my senior year got if all the way down to 9:41. I believe I had the school record for 17 years until 1987. I ran some after high school for several years but eventually just do walking for now."

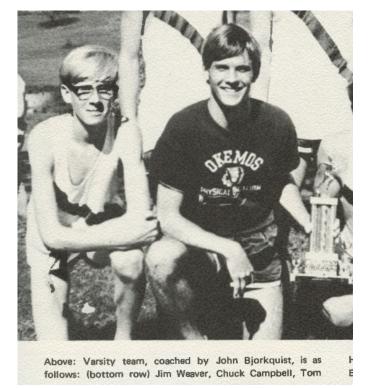

Charlie Campbell . OHS Class of 1969 . All-State Cross-Country 1968-1969 . All-State Track 1968-1969 . Honored by his coach . Inspired by and gives honors his earlier great teammate . One of our greatest two-milers of all times...and the record that held for 17 years.

"My best time in the One Mile Run was 4:25, four seconds slower than Tom Yunck's record time. I always considered the mile run harder than the two-mile run.

"Charlie Campbell, Jim Weaver and Tom Yunck-3 of the greatest distance runners that I ever coached", Coach John Bjorkquist.

My best time in the two-mile run was 9:41 and finished second in the state in May of 1969 down at the U of M track. A fellow from Detroit St. Anthony beat me in the state

final. I was going into the last turn and he was finishing!

I remember after finishing the regional race my sophomore year in the spring of 1967 at Waverly high school. My parents took me over to the Michigan Armory to see my brother Kirk

who was home from his US Marine post in Pendleton Ca. In the regional races, the top two finishers would go to the State finals. By 1968 and

for years to come, those regional races were held at Okemos because we had the resources to house the event."

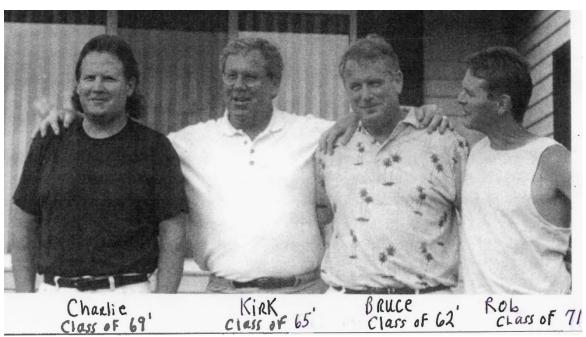

The family pedigree:

My father Charles Lewis Campbell Sr. was athletic. He played football for lonia and graduated in 1936. He went on to Ferris Institute (Ferris State College, then Ferris State University) and was in the band and played football.

My Grandma Campbell would come to the games in Big Rapids and at the same time listen to Uncle Bob play on the radio at Michigan.

My father was president of the Lansing Alumni Association and president of the Toast Masters Club in Ingham County in the early 1960's. He also served on the Alumni Board of Directors at Ferris State from his election in the fall of 1962 until his passing in January of 1971. He served as the only medical person on a Naval Vessel of 96 men in Italy during WWII. He received a citation at the Anzio Beachhead Invasion. He worked as a retail pharmacist and worked for 25 years at McKesson and Robbins Wholesale Drug company. My father was involved a lot with extra curricular events that would take place at the high school, like the school circus and other events.

I have 3 other brothers. Bruce graduated in 1962 at Okemos, Kirk graduated in 1965 and Rob graduated in 1971. Bruce passed away in August of 2012 but ran track and cross country on the Okemos teams. Kirk got his letter running cross country but didn't pursue sports any after that. Kirk owns his own company Cinnemalighting in Franklin Tennessee

currently and does the lighting and carpeting in theaters nationwide. His company did the improvements at the Celebration and NCG Theatres in Lansing, Michigan. Rob went to the Palmer school of chiropractic medicine in Davenport Iowa. He is currently a chiropractor and does back Disc work in San Clemente Ca. I worked for the State of Michigan and retired after 34 years in 2011.

My mother and father met at Ferris Institute in 1940 and married in June of 1941. My mother Jean McCulloch came from Bay City and my father with my two uncles came from Ionia. It was my mother's younger brother Don McCulloch that passed over his job with AC Spark Plug in the early 1960's and went to California (LA) and started his own company Forbes Industries. It was my Uncle Don's invention that is those luggage carts you see in movies that have those big golden arches on them. My mother's older brother my Uncle Jim who has passed away now but he played in the University of Michigan Band and was injured on the ship the Tennessee at Pearl Harbor. The Tennessee ship was right near the Arizona ship. He recovered and ended up selling hotel and office furniture in Northern California.

Then there was "My Uncle Bob"

Sexton perfect at Campbell Field

Big Reds beat Jackson in first game after diamond is dedicated

By Kevin Bull

Camps would have been proud. The Sexton baseball team made sure the first game at the newly named Robert D. Campbell Field would be a win Thursday evening against Jackson.

against Jackson.

The Big Reds used an incredible nine-run fifth inning for a 10-9 comeback victory in the second game of a doubleheader to open the Capital Area Conference.

The field had been dedicated be-

tween games.
The Vikings won the first game,

"The fantastic fifth," Sexton coach Bob Gast said of his team's rally from an eight-run deficit. "You just never know in this game. Anything is possible. You can never give up."

The late Robert Campbell proba-bly would have agreed.
The field was officially named af-ter Campbell, who coached Sexton baseball from 1944 through 1977, in

a special ceremony at home plate. ESPN baseball announcer Dave 'Campbell stood near the batter's s box to thank the crowd, the Lansing school district and board of eduction for recognizing his father's Dave Campbell, who arrived in Lan-sing Thursday morning after broad-casting the White Sox-Orioles game from Baltimore the previous night. "Winning was not everything for him. It was about people and work-ing with the line of every time what

ing with kids. I'm not even sure what his record was or if it even matters."

Robert Campbell, better known as Camps, coached baseball and taught physical education at Sexton for nearly 35 years. He even spent some time with the football team as an assistant coach.

Twenty years after his 1977 re-tirement, his favorite field was named after him. It's an honor that would rank among his greatest achievements, including his 1976 induction into the Michigan High School Coaches Hall of Fame.

A red-and-white sign will hang from the backstop fence in memory of Robert Campbell, who died in

1992 from cancer.
"He was a wonderful family man who put his family first and sports second," Nancy Hollerback said of her father. "Dad had a great sense of humor. My brother and I are lucky to

have two wonderful parents."
"It's a very special day," said
Frances Campbell, Robert's widow.
"It's a great honor. I'm very proud,

"It's a great honor. I'm very proud, and I know Bob is, too."

The Campbells were especially proud of the effort the 1997 team displayed on this special day.

After a 9-3 defeat in the opener snapped Sexton's five-game winning streak, the Big Reds found themselves in an even deeper hole

Honoree: Robert Campbell coached baseball and taught physical education for nearly 35 years at Sexton.

The Vikings (I-1 CAC, 4-7) took a 9-1 lead after scoring eight runs off Big Red starter Trevor DeLong in the top of the third.

The Big Reds (1-1, 6-2) sent 15 batters to plate in the fifth inning. Eight walks and four singles culminated into nine runs and a 10-9 lead.

The big blow came from junior second baseman Jason Davis, whose two-out single knocked in the tying and winning runs. David Litchenberger also had a two-run cingle carlier in the inning

Sexton to honor

Baseball field to be named after former Coach Bob Campbell

> By Tom Gantert ing State Journa

When Dave Campbell was in ju-nior high at Walter French, he'd jump on his bike after school and pedal to Sexton High School.

He was going to watch his father coach the baseball team.

"Sometimes, I'd be late," said Campbell, now a baseball announc-er for ESPN. "It was a pretty good hike from Walter French over to Sexton."

Now Campbell will make another pretty good hike to the Sexton field. That's because Thursday, Sexton will be naming the field after his father, Bob, the longtime Sexton coach who died in 1992 from can-cer. He was 76.

Dave Campbell now lives in Colorado Springs, Colo. The former ma-jor leaguer's schedule is hectic. This week he'll be in Colorado Springs, Denver, Baltimore, St. Louis and Bristol, Conn. Thursday, he stops in Lansing for

a game as important as any major league game he'll announce. The field will be named after his

father in between games of a dou-bleheader against Jackson. The first game starts at 3:30 p.m.

Campbell, who lettered in football and baseball at the University of Michigan, was inducted into the Michigan High School Coaches Hall of Fame in 1976.

His wife, Francis, said the man

know affectionately as "Camps" would love Thursday's ceremony. "I think he would be thrilled to death," Francis said. "Baseball meant a lot." Current Sexton coach Bob Gast

remembers the time he met his pre decessor. Gast was umpiring a baseball game in 1980. Campbell had been called out of retirement to fill in for the regular JV coach, who was filling in for the ailing head coach Dick Bates.

Gast approached Campbell and introduced himself.

"We met for a little pre-game chit-chat," Gast said. "I thought he was going to talk for an hour. It started talking about baseball." And, true to his character, Camp

bell enjoyed the game, never ques

"He never said a word about any of the calls," Gast said. "He was just enjoying himself." Bates later met with Campbell to

thank him for helping out. "When I talked with him after wards, he gave the impression that he was real honored to be asked to step in again and help out," Bate

Thursday, Sexton returns the honor to a man who may not have been the first coach at the school but was the one who left the bigge-

impression. Sexton had four baseball coache
